

### *A Unique Scholarship Program for women in STEM*

**Procter & Gamble's (P&G) Betiyan Fellowship**, a unique scholarship program was launched in 2021-22 in collaboration with **Centre for Civil Society** to encourage **female students** to pursue careers in **STEM** (Science, Technology, Engineering, and Mathematics) fields. The Fellowship provides financial support and mentorship to promote women's access to and participation in STEM-related jobs in the manufacturing and production industries.

We are now inviting nominations for **P&G Betiyan Fellowship 2023-24** from institutions offering STEM courses across Himachal Pradesh, Madhya Pradesh, Maharashtra, Telangana, Rajasthan, Gujarat and Goa.

#### Eligibility Criteria

1. **Female students** pursuing STEM related courses in ITIs, Polytechnic and Engineering colleges.
2. Should be **nominated by their institution**.
3. **Good academic performance** and attendance in their course. In case of first year students, details of latest academic qualification will be considered.
4. Proof of need and **merit** should be established.
5. Institution should be located in any of the following states - **Himachal Pradesh, Madhya Pradesh, Maharashtra, Telangana, Rajasthan, Gujarat and Goa**.

#### The Betiyan Fellowship coverage

**Financial support for academic costs** to women enrolled in ITIs, Polytechnic and Engineering colleges.

**Mentorship opportunities** with accomplished women professionals in STEM fields.

Access to need-based **career counselling**.

#### NOMINATIONS INVITED FROM INSTITUTIONS FOR 2023-24
