2024-25

Govt. Polytechnic Gurchorem

## Index

<b>Sr. No.</b>	<b>Name of Manual</b>	<b>Page No.</b>
i.	The Particulars of organization, functions, and duties.	3
ii.	The power and duties of its officers and employees.	11
iii.	The procedure followed in the decision-making process, including channels of supervision and accountability.	18
iv	The norms set by it for the discharge of its functions	21
v.	The rules, regulations, instructions, manuals, and records, held by it or under its control or used by its employees for discharging its functions.	23
vi	A statement of the categories of documents that are held by it or its control.	25
vii	The particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or administration thereof.	27
viii	Statement of the boards, councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advice and as to whether a meeting of those boards, councils, committees and other bodies are open to the public, or the minutes of such meetings are accessible for public.	29
ix.	A directory of its officers and employees.	33
x.	The monthly remuneration received by each of its officers and employees, including the system of compensation as provided in its regulations.	43
xi.	The budgets allocated to each of its agency, indicating the particulars/of all plans, proposed expenditures and reports on disbursement made.	47
xii	The manners of execution of subsidy program., including the amounts allocated and the details of beneficiaries of such program.	50
xiii.	Particulars of recipients of concession, permits or authorizations granted by it.	52
xiv.	Details in respect of the information, available to or held by it, reduced in an electronic form.	56
xv.	The particulars of facilities available to citizens for obtaining information including the working hours of a library or reading room if maintained for public use.	58
xvi.	The names, designations and other particulars of the public information officers.	60
xvii.	Such other information as may be prescribed	62

**i) THE PARTICULARS OF  
ORGANIZATION,  
FUNCTIONS AND DUTIES**

**i (a) The Particulars of the Organization, functions, and duties**

**GOVERNMENT POLYTECHNIC CURCHOREM, KAKODA**

**(AICTE Approved & Govt. of Goa Polytechnic)**

(Information for Public under Right to Information Act, 2005)

Following is the information in terms of Sections 4(1) (a) and (b) of the Right to Information Act 2005.

**1.1. Aim and Objectives of the Institute:**

The main objective behind starting this polytechnic is to cater to the technical needs of the youths in and around South Goa and make it an important center of learning.

**1.2. Mission/ Vision of the Institute:**

**Vision:** To develop globally acceptable Engineers with professional attitude, ethical values & to fulfill the needs of Industry & Society.

Mission:

- To develop an innovative teaching-learning process.
- To develop adequate state-of-the-art infrastructure.
- To impart professional skills and ethical values.
- To identify and contribute to need-based projects.
- To enhance and enrich industry-institute partnerships.

### **1. 3. BRIEF HISTORY AND BACKGROUND OF INSTITUTE:**

The General public is informed that Government Polytechnic Curchorem, is located at Kakoda, Goa, and was established by Govt. of Goa in the year 1996.

In the initial years of its inception the campus was housed at Quepem. It was only in 2003 that the sprawling complex finally came up and the staff and students shifted to the new campus.

It is located at Kakoda, Goa, 4.5 kilometers away from Sanvordem Railway Station and 3.5 km from the Curchorem Bus stand.

#### **DIPLOMA PROGRAMS:-**

The Institute currently has the following three-year Diploma Courses, affiliated to the Board of Technical Education, Goa, and approved by the All India Council of Technical Education (AICTE) as per **F. No. AICTE/Adv-I/AB/2016/86, dated 08<sup>th</sup> December 2016, extended as per F.No. Western/1-9317825164/2021/EOA dated 25<sup>th</sup> June 2021 for the academic year 2021-22 and further extended as per F.No. Western/1-36560199796/2023/EOA dated 15<sup>th</sup> May 2023 for the academic year 2023-24.**

The polytechnic started with Diploma in Mechanical Engineering Course which was introduced in the Year 1997 with 20 students. This intake was later increased to 60 students.

<b>Sr. NO. Courses</b>	<b>Sanctioned Intake</b>
1. Diploma in Mechanical Engineering	60
2. Diploma in Electrical & Electronic Engineering	40
3. Diploma in Computer Engineering	40

Presently the total strength of the students studying at the institute in various courses/programs is approx. 354.

The State Government has contributed in providing the necessary infrastructure to the institute. It has a well adequately equipped labs, classrooms, and workshop with equipment and machinery adequate enough to provide State-of-the-Art technical skills to the students.

It has a Learning Resource Utility Centre which houses a library with 7056 books in engineering disciplines, journals & periodicals as well as institute projects, a reading hall and multimedia room.

The Polytechnic also has a Seminar hall which is used for organizing cultural events and ground for outdoor games. Presently annex building to phase I and phase II buildings is under construction.

Industry-Institution Interaction Cell of the institute provides necessary feedback from the industries regarding the needs of industries and an effort is made to acquaint the student of it.

In the near future, the Institute plans on having indoor stadium and industrial training center.

#### **System of Education:**

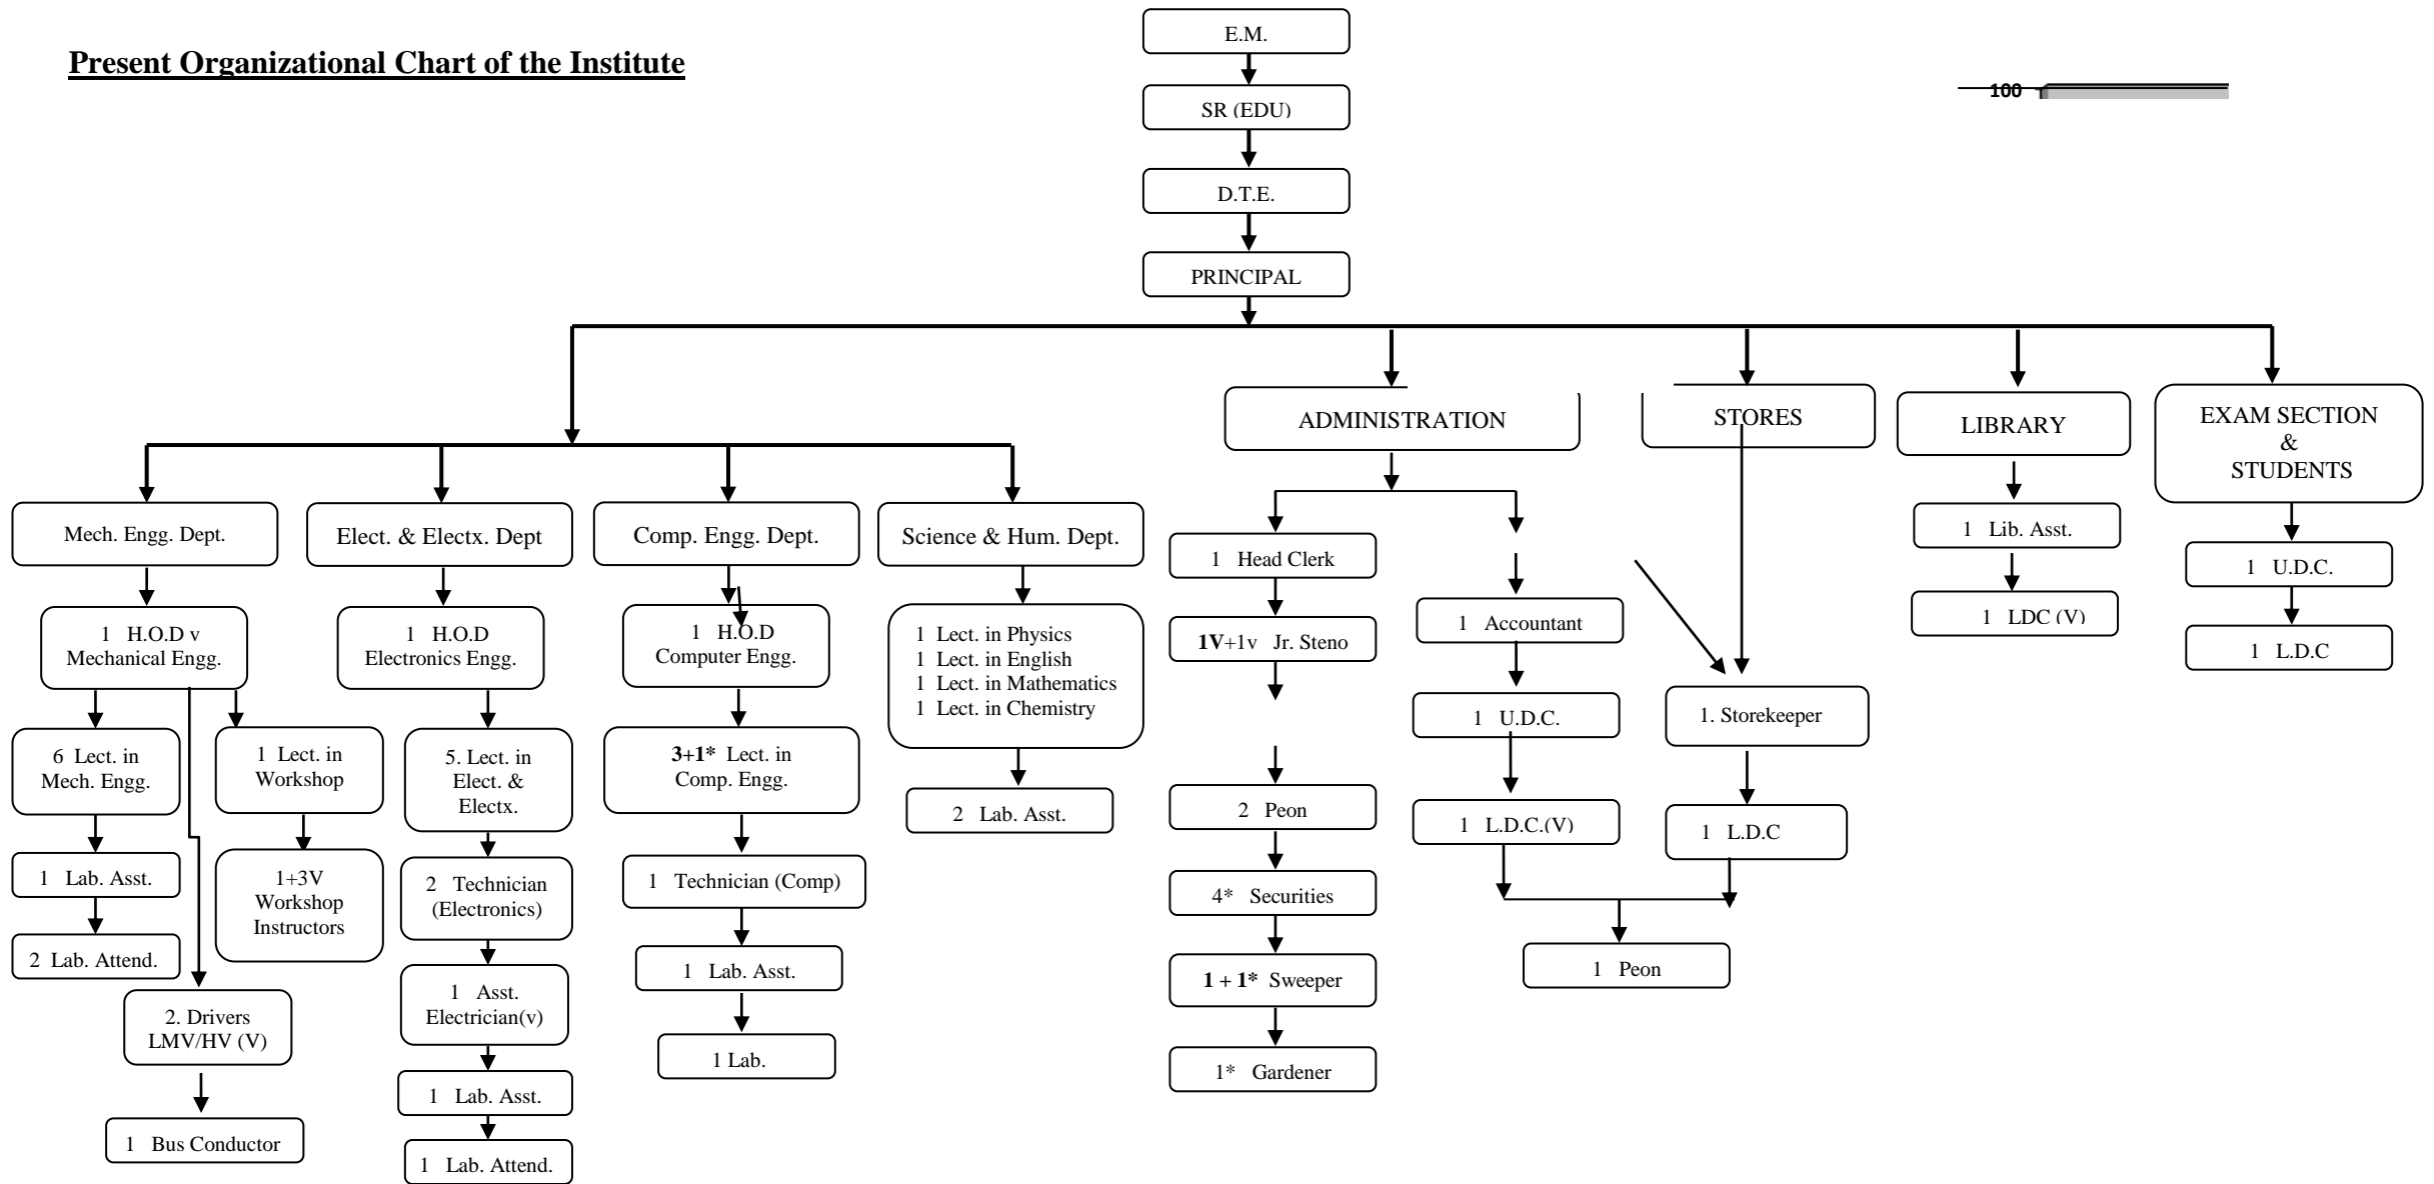

The Polytechnic follows the SEMESTER PATTERN from the academic year 2006-07 as per guidelines of The Board of Technical Education. Presently semester pattern offered is called as Rationalised semester system.

#### **1.4. Organizational Chart:**

**Dr. Vivek B. Kamat is the Director of Technical Education. Shri Ajit M. Goankar** is the Principal and the Head of Govt. Polytechnic Curchorem. Each department/section is headed by Section Head who is a member of the teaching staff and he/ she is responsible for the overall management of the department/section.

The organizational chart of the Polytechnic is as follows

**Present Organizational Chart of the Institute**

**Note:** a. \* - Contract Basis      b. V - Vacant      c. P - Proposed

### **1. 5. Main Activities/ functions of the Institute:**

The activities of the polytechnic commence with the admission of the students to the polytechnic.

#### **ADMISSIONS:**

The admission for various first-year Diploma programs is done at the Directorate of Technical Education (D.T.E.), Porvorim for all the polytechnics in the State of Goa. The staff deputed by the polytechnics coordinates the admissions. This helps in quick finalization of overall merit list and on the spot admissions as per dates declared in the local newspapers.

**Prospectus** to process the admission to the first year diploma courses is available a month before the commencement of admissions. It contains information about the Institute with respect to availability of seats, diploma programs offered, documents required, various reservation quotas, scholarships and awards, rules for cancellations, forms to be filled, exact dates for appearing for various rounds of admissions, fees, Conduct rules, etc and is available at the Office of D.T.E. as well as at the Polytechnics.

After seeking admission at the centralized admission center, the student needs to report to the Institute along with admit card issued to him. He/She will then be directed to the counselor for necessary guidance for further activities of admission process.

#### **GUIDANCE AND COUNSELLING:**

The first week of the academic year is devoted to counseling and registration. The counselor assists the students given in his/her charge as to what subjects are offered for the term and what the student can take. He/ she guides the students as and when required in matters concerning registration and re-registration of courses, entry credits to be availed against exemptions, eligibility for admission to examinations, TNG, etc...

#### **ACADEMIC ACTIVITIES:**

The Board of Technical Education declares the schedule of academic term/year at the beginning of the year. During the term, regular class tests and assignments are given for which marks are assigned and recorded in the final examinations results as Class Test (PA) Marks. The Progressive assessment scheme helps the students and teachers to understand the progress of the students throughout the semester. The student should have the required 75% attendance for Term Grant. Theory/practical examination is conducted by the Board of Technical Education at the end of the term.

Students securing more than 60% marks are awarded First Class and more than 75% qualifies for Distinction in that subject/course. If the student secures less than 40% marks in a course then he/she has to answer the theory exam again under re-registration.

#### **EXAMINATION:**

The Examination cell looks after work related such as forwarding exam registration form, verification, revaluation form to BTE. It handover marksheets, Provisional Passing Certificate & Diploma Certificates issued by Principal/BTE. It is a Liason between the Board of Technical Education and the Polytechnic. Forward Form 2 registration for Exam to BTE & Improvement of marks form. Forward Progressive Assessment (PA) Marks & Practical/ Oral marks to the Board. Keeps Record of results of BTE exam of students. On declaration of results for

individual courses, to show results as also forward an application for verification and revaluation of marks to the Board. Maintain a database of the record of students registered for exam as well as passed out students in order to convey the information when required.

#### **VERIFICATION OF MARKS & REVALUATION:**

On declaration of results for individual courses, the candidate may apply for verification & revaluation of marks within 7 days which is forwarded to the Board within 10 days of the declaration of results along with the verification fee as prescribed by the board.

**CO-CURRICULAR ACTIVITIES** are conducted for the students so that they may have more practical as well as comprehensive understanding of what they learn in the classroom.

**Educational Tours and visits to Industrial Establishments:** Final year students are taken on educational tours during the vacation period in order to acquaint them with the industrial work environment.

The Institute issues Railway concessions and also pays for the travel expenses for road journey during the industrial and sight tours depending upon availability of funds. Staff members accompany the students during the tour as per the educational tour rules & regulations.

Local visits to the nearby industries are arranged on weekends/holidays for additional academic support. All miscellaneous expenses are to be borne by the students.

**Industrial Training:** Industrial training is compulsory for all streams. The institute arranges for the training in various manufacturing and service industries of 8 weeks duration & is part of the curriculum.

**Guest Lectures:** Guest lecturers are invited to the campus to speak on the latest topics for the benefit of students. These lectures help the students to familiarize with the modern developments in science and technology and other management skills.

Lectures related to personality development and development of communication skills is also conducted. Furthermore, information on higher education is also given to the students.

**Extracurricular activities** are held in tandem with co-curricular activities. They begin with the election of the members of The Students' Council. It is responsible for organizing and coordinating activities like fun week, Sports Competition, Reading Club and releasing the Polytechnic Magazine.

#### **Sports and Gymkhana**

Activities for the students are conducted with the assistance of the staff. Inter-class and inter-Institute sports are organized to impart the qualities of discipline and physical fitness. Gymkhana room is available for various indoor activities. While outdoor games, like Cricket and football, are played in the vast open playground in the campus. Students of the institute are actively involved in Inter-Class Volleyball, Cricket, Table Tennis, Football, Athletics, Carom and Badminton. They also organize and participate in inter-polytechnic events.

**1. 7. Citizen interaction - expectation of the Institute from the public for enhancing its effectiveness and efficiency**

1. Participation in educational fairs to inform the school students of the courses conducted at the Institute
2. Parent – student – teacher interactions: The teachers meet the parents of the students as and when required. Parents generally meet the teachers at the beginning of the term in order to facilitate Registration/ Re-registration and acquaint themselves with the new campus. After each monthly test and final exam they are updated as to the performance/ progress of their son/ ward.
3. It Liaisons with industries in the surrounding areas for the purpose of training and placement. The Institute has excellent rapport with nearby industries like Chowgule Mining Industry, German Remedies, Radisson, Taj Exotica, Majorda, Pentair, Cipla, Cidade de Goa, Marriott
  - Get implant trainees evaluated with the help of industry personnel
  - Arrange visits to the industries for the students during the academic year
  - Arrange for experts in any fields to give a talk to the students on technical or General topics
  - Coordinate training programs for technical and non-technical staff

The training and placement cell has a feedback system to which pass out students of various branches are assisted, advised and guided for various job opportunities and avenues of career advances.

**1. 8. Postal Address of the main Office**

**Ajit M. Goankar**  
**PRINCIPAL**  
**GOVERNMENT POLYTECHNIC CURCHOREM**  
**CACORA – GOA**  
**TEL. NO.2654400, 9420687778**  
**E-MAIL: [diplomagpc@rediffmail.com](mailto:diplomagpc@rediffmail.com)/ [principal-gpc.goa@nic.in](mailto:principal-gpc.goa@nic.in)**

**9. Working Hours for Office and Public:**

The citizens may obtain the required information from Information Officer/ Assistant Public Information Officer during office hours on all 5 working days i. e. 9:15 a. m. to 5:15 p.m.

**10. Grievances Redressal Mechanism:**

A complaint box is kept in the Office of the main building so that complaints, grievances can be dropped in the box by the public/ Students. The box is periodically opened and action as required is taken by the Committee.

**II) THE POWER AND DUTIES  
OF  
ITS OFFICERS AND EMPLOYEES**

## **ii) Powers and Duties of Officers and Employees**

### **A) THE PRINCIPAL & OTHER OFFICERS**

#### **i) Principal**

The principal is responsible for overall planning and management of the academic and administrative activities of the institute including optimal utilization of resources. Furthermore, He is the chief executive and academic officer of the Polytechnic and is responsible to the Board of Technical Education, Porvorim —

- (a) for the proper administration and the academic management of the Polytechnic in accordance with the policies determined by the Board;
- (b) for the proper enforcement of regulations; and
- (c) for the welfare and discipline of the staff and students of the Polytechnic.

Furthermore, he sees to the functioning of the various departments as follows

- Providing academic and administrative leadership
- Promotion of industry-institution collaboration and industry-oriented Research and Development
- Monitoring and evaluation of academic activities in the Institute
- Public relations and interaction with the community
- Participating in policy and system planning at State level for development of Technical Education.
- Promoting and coordinating education related activities.

#### **A) ii Head of the Department**

- Providing leadership in teaching of Diploma courses
- Organizing R & D work in industrial problems and projects
- Departmental administration
- Assisting in the administration of the institution
- Publication of technical papers
- Curriculum development and development of resource materials
- Innovations in technical education and evaluation
- Coordinating education related activities
- Public relations and interaction with the community
- Student counseling and student interaction

**A) iii Selection Grade Lecturer & Senior Lecturer**

- Teaching Diploma courses (lectures and tutorials).
- Design and developing of the laboratory under their respective department/ section.
- Student assessment and evaluation.
- Innovation in instruction.
- Developing resource materials and assisting in curriculum development
- R & D work on industrial problems and projects and assisting in extension services to the community
- Coordinating education related activities.
- Co-curricular and extra-curricular activities.
- Assisting in department administration.
- Student counseling.

**A (iv) Lecturer**

- Teaching Diploma Courses including lectures and tutorials
- Planning and implementation of instruction in laboratory
- Student assessment and evaluation
- Developing resource material
- Assisting in extension services to the industry and community
- Assisting in education related activities
- Organizing Co-curricular and extra-curricular activities
- Student counseling

**B) Job Description of Workshop Superintendent & Other Workshop Staff**

**(B) i Workshop Superintendent**

- Planning, scheduling, organizing, coordinating and monitoring workshop training, sessions and tasks of the Polytechnic
- Plan, deliver and evaluate theoretical and workshop instructions.
- Design, develop and test instructional material and task for skill training
- Plan and organize staff development programs for workshop staff
- Procurement, erection/installation and commissioning of equipment in the workshops
- Procurement and storage of raw materials, tools instruments.
- Guide students in the performance of practical tasks and skill exercises and evaluate their performance
- Advise and assist students and faculty members in the fabrication of their project work.
- Manage the maintenance of equipment and tools in the shops including
  - Preventive and breakdown maintenance lay down safety procedures
  - Participate in professional development activities
  - Managing special assignments/task as entrusted by the Principal.

**(B) ii Workshop Instructor**

- Erection/installation/commissioning of equipment
- Procurement, storage, accounting of raw materials, tools and instruments
- Planning, scheduling, organizing, coordinating & monitoring workshop instructions and tasks
- Issue of raw materials, tools, and equipment for workshop jobs
- Plan, deliver and evaluate theoretical and workshop instruction.
- Guide the students in the performance of practical tasks and skill exercises and evaluate their performance.
- Arrange for preventive and breakdown maintenance of institute machinery.
- Assist students and faculty members in the fabrication of their project work.
- Participate in professional development activities
- Assist the workshop superintendent in certain functions as and when necessary.
- Inculcate safety procedures and safety practices among students

**(D) Job Description of Librarian & Library Staff**

**(D) i Librarian**

- General Administration of Library
- Planning of Budget for purchase of books
- Selection and acquisition of Books
- Planning and development of the Library
- Orienting the users towards effective utilization of Library Service
- Supervising of cataloging and indexing of books
- Allocating Book Bank Scheme and Centrally sponsored Scheme for deserving students
- Maintaining and upkeep of Learning Resources and Utility Centre as well multi-media room.
- Classification of new Library Books.

**(D) ii Library Assistant**

- Cataloging and classification of books and periodicals.
- Issuing and receiving books for staff and students
- Restoring books and Periodicals
- The arrangement of non-book materials.
- Assist the Library in charge in certain functions as and when required.
- Issuing and receiving Question papers and syllabus copies for staff and students.
- Maintaining books record into the computer database.
- Processing of new books i.e. stamping, pasting of date slip, book pocket etc.

- Entering New Books in the accession register and giving No. to (Acc.No.) to New Books.
- Making I. Cards and Library cards for students.
- Collecting Newspapers & Magazines from Newspaper stall.

**Laboratory Assistant/ Technician:**

**RESPONSIBILITIES:**

- Coordinates daily laboratory schedules, services and staff and ensures efficient operation of the laboratory.
- Assists lecturer in the design and construction of new demonstrations and exercises, teaching procedures and curriculum.
- Troubleshoots and resolves laboratory-related problems and issues.

**Responsibilities of the Training and Placement Officer:**

1. Apprise the student of any job opportunities available. Arranges campus interviews, and interviews at offices of different industries for training and placement as apprentice trainee/regular appointments
2. Placement of students who undertake a short term industrial training.
3. Liaisons with industries in the surrounding areas for the purpose of training and placement. The Institute has excellent rapport with nearby industries like Chowgule mining industry, German Remedies, Radisson, Taj Exotica, Majorda, Pentair, Cipla, Cidade de Goa, Marriott, Get implant trainees evaluated with the help of industry personnel
4. Arrange visits to the industries for the students during the academic year
5. Arrange for experts in any fields to give a talk to the students on technical or General topics
6. Co ordinate training programs for technical and non technical staff
7. Maintains database and record of passed out students in order to convey the information when required.
8. The training and placement cell has a feedback system to which pass out students of various branches are assisted, advised and guided for various job opportunities and avenues of career advances.

**III. The Procedure followed in the decision-making process, including channels of supervision and Accountability**

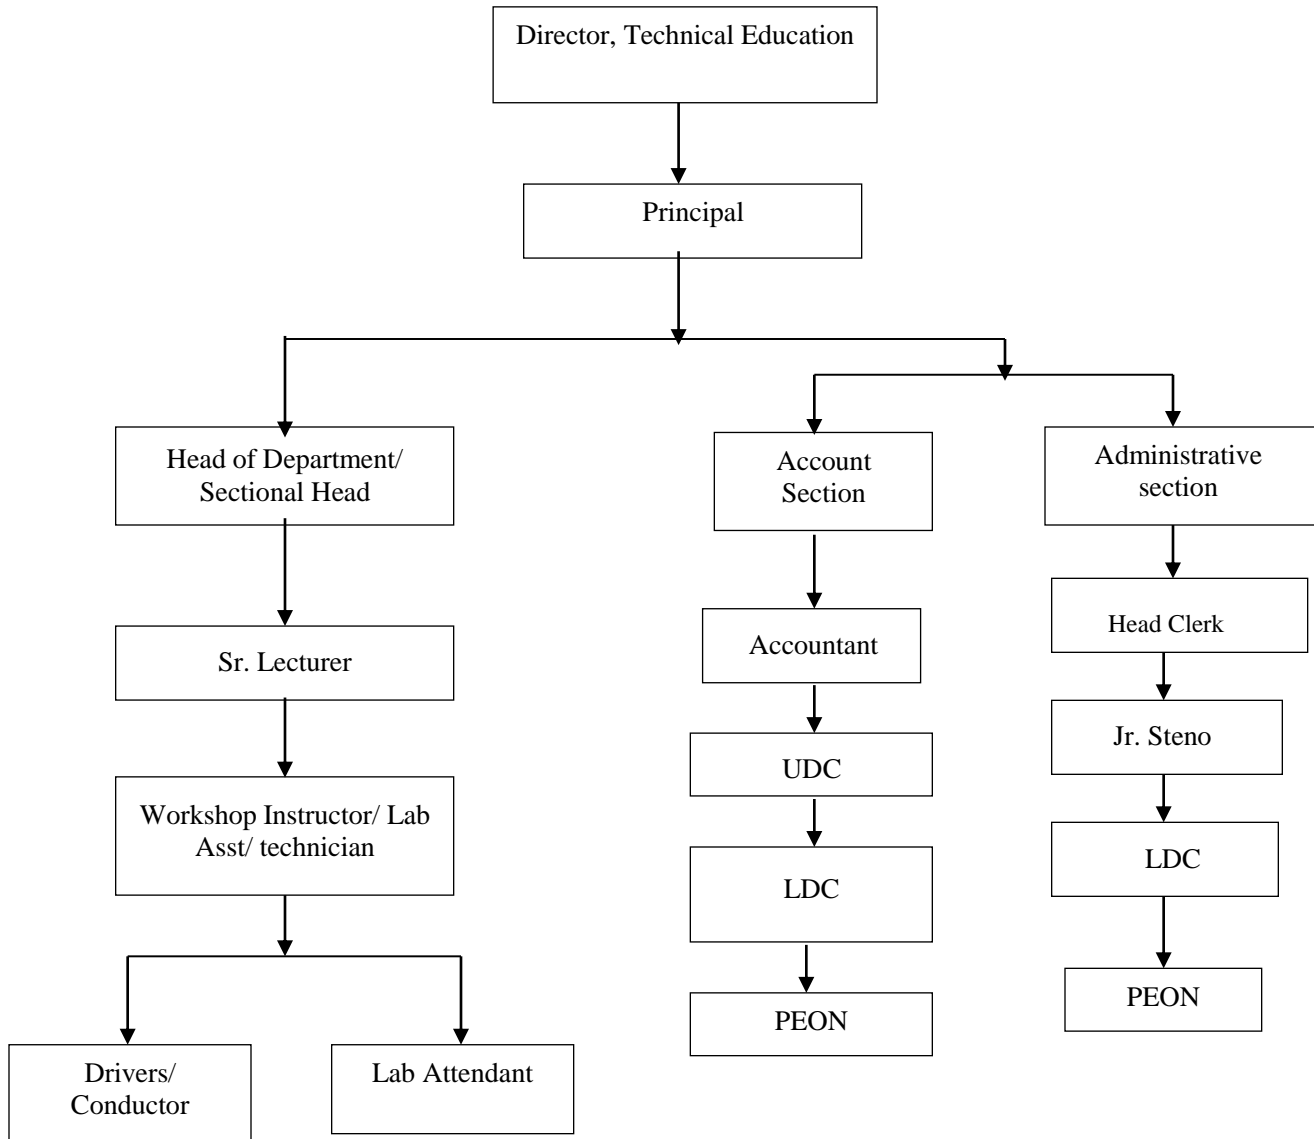

**iii) a The Procedure Followed**

The Principal of the Polytechnic is responsible for overall planning and management of the academic & administrative activities of the institute including optimal utilization of resources. Concurrence of the concerned sectional head is taken. Principal is the implementing authority of plans and policies of the Govt. notified from time to time. The Principal performs the duties of the office at the institute level. He is the competent authority on all cases of group D employees. Cases of group A, B and C also require the approval of head of institute before sending for the final approval at the head office. The Institute follows the service rules of Government of Goa. Principal has set up number of committees and together they decide important matters in the meetings.

**iii) b Channel of supervision and accountability**

The principal is the Head of the institute. Some cases are disposed at the level of Principal and the cases, which require approval of Director or Government, are forwarded to Director of Technical Education by the Principal.

Every officer/Official is accountable to the higher-level officer as depicted below:

**The norms set by it for  
the discharge  
of its functions**

**iv.) The Department discharges its function according to norms as below:**

- General Financial Rules.
- Instructions given by DTE/ Government from time to time.
- The norms and standards as laid down by All India Council for Technical Education.

**v) The rules, regulations, instructions, manuals and records, held by it or under its control or used by its employees for discharging its functions**

**V) The Institute works on the basis of following rules/Instructions:**

- General Financial Rules.
- Central Civil Service rules.
- The general and common conditions of service rules as amended from time to time.
- The circulars and notifications issued by the DTE/ Govt. from time to time.
- The Constitution of the students' council, Government Polytechnic Curchorem

**vi) A statement of the categories of documents that are held by it or its control**

## **Statement of the categories of documents that are held by it or under its control**

### **1. Administrative and Establishment Record**

- Recruitment records pertaining to the various teaching and non-teaching posts in the Institute
- Service Books and personal files of all the regular employees of the Institute.
- General files relating to the administrative instructions issued by the Institute as well as received from the Government of Goa and Ministry of HRD, AICTE, etc.
- Central out going post, dispatch registers and public postage stamps registers.
- Record related to the promotion of teaching and non teaching staff under Assured Progression Scheme and Career Advancement Scheme

### **2. Finance and Accounts Record**

- Cash Books
- Ledgers
- Journals
- Payment Voucher Files
- Record regarding annual reports
- Demands and collection records of fees realized from student
- Salary Statement/Register
- Annual Accounts of the Institute
- GPF Records
- FDRs Record.
- Community Polytechnic Scheme Accounts of the Institute

### **4. Academic and**

- Personal Records of students in Register
- Lists of students

### **5. Examination Records**

- Detailed Mark Sheets of students
- Result Sheets of the students

- Academic Schemes of all programmes
- Files regarding AICTE approvals
- DTE rules and regulations pertaining to examination of students

### **4. Purchase Files**

- Purchase files (Invitation for quotation/tenders)
- Purchase of consumables and equipments files
- Purchase Order files
- Miscellaneous files

**vii) The particulars of arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or administration thereof.**

No such arrangement exists in the formulations of the policy of Government Polytechnic Curchorem besides DTE and faculty members of the polytechnic. However, in the case of Community Development Project of Government Polytechnic Curchorem the executive committee members are from public or from industries

At the Polytechnic level the public persons involved are as follows —

1. Principal	Chairman
2. Two representative of faculty	Member
3. Two representative of Village Panchyat/Samiti/Zila Parishad	Member
4. One representative of NGOs/Retired professional	Member
5. One Principal/Project officer from nearby community poly.	Member
6. Project officer of Community Polytechnic	Secretary

**viii) Statement of the boards councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advise and as to whether meeting of those boards, councils committees and other bodies are open to the public, or the minutes of such meetings are accessible for public.**

viii) Various committees are constituted from time to time by the Head of Office for the purpose of sales & purchase of equipments for the labs and other material required as also for smooth working of the polytechnic. But decisions of these committees or the minutes of meetings of these committees are not open or accessible to public. All the decisions or minutes of these committee meetings are finally handed over to higher authorities for final approval.

Presently, the following committees are constituted for smooth and efficient working of the institute.

**Academic Committee:**

This academic committee comprises of the Principal and the teaching staff.

**RESPONSIBILITIES:**

1. To assess satisfactory progress of the academic programs in the institute.
2. To discuss the suggestions made by the teaching staff towards academic excellence of the students.
3. To discuss the problems expressed by teachers and students over academic matters.
4. To finalize the strategies for implementation leading to academic improvement.
5. To put up suggestions for discussion at academic council.

**Gymkhana Committee**

**RESPONSIBILITIES:**

1. To provide for outdoor games and indoor games

**Disciplinary Committee**

**RESPONSIBILITIES:**

1. To ensure that ragging in any form inside the campus does not take place
2. To check different manifestations of indiscipline in the campus like destruction of property and disturbance of peace within the student community.

**CANTEEN COMMITTEE:**

The canteen committees comprising of the Principal, Health Officer, Representative from Directorate of Health Services, Food Safety Officer, Representative from FDA, HOD, Sr. Lecturer, Accountant, Head clerk, and members of the students' Council oversee the day to day working of the Canteen, quality and hygiene of the food.

**RESPONSIBILITIES:**

1. To ensure smooth functioning of canteen through the canteen contractor.
2. To identify areas for improvement of the canteen and initiate appropriate action.

### **GRIEVANCES REDRESSAL COMMITTEE**

A complaint box is kept in the Office of the main building so that complaints, grievances can be dropped in the box by the public/ Students. The box is periodically opened and action as required is taken by the Committee.

### **CAMPUS MAINTENANCE Committee:**

All complaints regarding breakdown in machinery, repairs and electrical malfunctions is written in the maintenance register. The required action is then referred to the appropriate authority.

### **Purchase Committee:**

The Purchase Committee comprises of the following persons

- |  |                  |
|--|------------------|
| 1. HOD Electrical & Electronics Engg.                              | Chairman         |
| 2. Stores Incharge   | Member Secretary |
| 3. Three faculty members representing their respective departments | member           |
| 4. One Representative from the Accounts Section                    | Member           |
| 5. One Representative from the Administrative Section              | Member           |
| 6. One Representative from the Stores Section                      | Member           |

### **Tender/ Quotation opening Committee**

The Tender/ Quotation opening Committee comprises of the following persons

- |  |                  |
|--|------------------|
| 1. HOD Computer Engg.  | Chairman         |
| 2. Stores Incharge   | Member Secretary |
| 3. Three faculty members representing their respective departments | Member           |
| 4. One Representative from the Accounts Section                    | Member           |
| 5. One Representative from the Administrative Section              | Member           |
| 6. One Representative from the Stores Section                      | Member           |
